

Presidents Letter

Hello Millersburg Glass Association Members,

In Ohio we are getting ready for a few cold winter months. Not my favorite time of year.

I would like to say that the Millersburg Fall Gathering was very exciting and a huge success. We had several members from other states and Canada that came to the gathering and to Saturday's auction. It was really nice to see everyone at the gathering sitting around visiting and sharing stories from the past.

I especially would like to thank my wife, all board members and officers for all the work and time they give throughout the year to make this gathering a huge success. I would like to thank Jim Wroda, his family and staff for bringing to Millersburg another great auction on the courthouse lawn. I would like to thank the Antique Festival committee for allowing us to have the courthouse lawn for the auction.

My wife and I were honored to have John and Patricia Rogers from North Carolina visit and spend the night with us. They are truly two wonderful people.

I would like to extend a big thank you to everyone who donated glass for the fundraiser. John and Robin Buren, Larry and Marcene Cullins, Ben Hershberger Antiques, Ernest and Barbara Hershberger, Aaron and Arlene Hurst, Skip and Bony Huelga, Jack and Lola Johnson, Steve and Gail Maag, Raymond and Laurie Miller, Gregg and Susan Oswald, Margaret Ports, Jim and Laurie Wroda and the Joneses.

I hope everyone has a safe and enjoyable holiday season.

Thank You,

Randy Jones

While at the wwwega convention in Asheville this year I was able to purchase a piece of Millersburg glass that I have never seen or read about from one of the dealers setting up his glass for sale. It is a beautiful marigold Country Kitchen bowl 8 1/4 wide. It is very dark radium finish with the edge tuned up to a maximum height of 1 3/4". Actually the top edge appears to be turned in slightly, wanting to be a rose bowl. I am attaching a photo and ask all the Millersburg members if they have a matching or similar piece in their collection. Keep on hunting.

Thanks, Lance Hilkene
